

What a great celebration of the family we had at Annual Gathering in Tulsa! Pastor Warren Smith and the Community Baptist Church did a fantastic job of hosting. We had great times of worship with the preachers of our own Region, and missionary John Armagost helped us to see the Lord at work around the world.

*We laughed together.*  
*We learned together.*  
*We celebrated together.*  
*We rejoiced together.*

The Lord inspired us, encouraged us, and reminded us that the world is in our midst.

Our job is simple — stand firm in the Lord Jesus Christ, share Him with everyone, and let the Lord take care of the results and response.

In closing, I want to especially thank our Central Region office staff who works so hard behind the scenes answering phones, taking care of details to keep everyone on task, keeping minutes of meetings, and basically doing tasks for everyone in our Region. Thank you — Cindy Sossoman, Martha Robbins, Rita Adams and Terri Long.

May God Bless,

***Dave Davis***  
Central Region President
