

Pathways to New Life

A Mission and Evangelism Event

Theme Scripture: John 10:10

January 19-20, 2018

Cross Wind Conference Center
Hesston, KS

Event Speakers

Rev. Dr. Jeff Johnson is energized about his work, explaining how he enjoys seeing congregations and church members alike get excited about sharing their faith, feeling free to think outside the traditional box of evangelism. Come and discover how easy it can be to share your faith.

Catherine 'Kit' Ripley's primary ministry involvement is with New Life Center Fdn in northern Thailand. They work with tribal minority girls who are survivors of labor exploitations, sexual abuse, domestic violence and/or human trafficking and girls who are at risk for exploitation and abuses.

Karen Smith was born and raised in Hong Kong by missionary parents. Her move to Thailand in 1999 as a missionary was the culmination of a life-long dream that God had planted in her heart at an early age. Although on an extended ministry assignment in US, she will be back in Thailand at the New Life Center during our event.

We will have a skype conversation with our Thailand missionaries.

Mini Project

There will be a mini-project to assist students at Bacone College. Please bring Walmart gift cards in either \$5 or \$10 amounts; or you can donate cash, and gift cards will be purchased. These will be administered by staff at Bacone to help students with miscellaneous minor needs. About 88% of the students receive financial aid in order to complete their education so have no available funds for those miscellaneous items.
