She is the author of "Learning Mission, Living Mission: Churches That Work" LaBarre holds an M.Div., Central Baptist Theological Seminary, in Kansas City, Kansas and is certified as a ministry coach by Valwood Christian Leadership Coaching.

BARBARA & DWIGHT BOLICK

Barbara and Dwight Bolick serve with the Convention of Baptist Churches Chilean Mission in ministries of economic and leadership development. Their primary focus is with Mapuche churches in southern Chile.

The goals of the Bolicks' ministries with the Mapuche churches and communities are, first, recovery of identity as a people made in the image of God; and second, discovery of vocation as productive stewards of creation.

Barbara and Dwight, with the Mapuche churches, pursue these goals through various programs, such as recovering the use of the native language, Mapudungun, in worship, evangelism and service; entrepreneurship training in a rural context (beginning with the production of traditional weavings, and beekeeping/honey production); and theological education.

The Bolicks also serve in equipping leaders among the Convention's other churches. They both teach and preach in churches from Santiago to the Lake District. Barbara helps churches develop ministries to women and children and Dwight focuses on stewardship, helping churches grasp their potential to create and sustain Christ-like ministries in their communities.

Hebrews 12:26-27

At that time his voice shook the earth; but now he has promised, "Yet once more I will shake not only the earth but also the heaven." 27 This phrase, "Yet once more," indicates the removal of what is shaken—that is, created things—so that what cannot be shaken may remain.
