

# Wildcat Ministries

## *Continuing Discipleship of Your K-State Bound Members*

First Baptist Church of Manhattan would like to extend an invitation to any students in your churches who will be attending K-State to check out our church and Wildcat Ministries, also known as the Roger Williams Fellowship, this Fall. In fact, we would even like to reach out to them! If you send us (fbcmanhattan@kansas.net) names and email addresses of any of your students who are attending K-State, we will get in direct contact with them to invite them to our events and small groups. We care about your students and want to be a place where they can continue to grow in their faith throughout the college.

Wildcat Ministries, the college ministry of First Baptist Church, Manhattan, has a Student Center at the edge of the K-State campus. We serve free dinners on Sunday nights, host fun events, participate in service activities and have small group Bible studies throughout the week.

Many of our students were drawn to Wildcat Ministries because it is a smaller group than some of the other campus ministries, and because it really has the feel of a family. Everyone knows each other, and no one gets lost in a crowd.

We hope to hear from you and meet your students this fall!
