With Baptist brothers and sisters  
around the world, we believe:

- That the Bible is the final authority and trustworthy for faith and practice. It is to be interpreted responsibly under the guidance of God's Holy Spirit within the community of faith;
- That the Church is a gathered fellowship of regenerated believers, a sign of the coming universal reign of God;
- That the freedom to respond to the Lordship of Christ in all circumstances is fundamental to the Christian gospel and to human dignity; and
- That witness to Christ is the ongoing task of every Christian and of every church.
