

### **MISSION STATEMENT of ABMen USA**

To bring men and boys into a saving relationship with Jesus Christ.

### **VISION STATEMENT of ABMen USA**

To enable men and boys to strengthen their relationship with Jesus Christ so they will become biblical men for mission and outreach

## **ABMen of the Central Region**

ABMen have a great summer retreat at Camp Christy, very rich in natural history and AB Churches of the central region. This camp has a beautiful setting and has been there since 1929. Our retreat is the third weekend of July. We have time to do a project for the camp and a guest speaker and a time for recreation and sight seeing. We have done significant projects for the camp, ranging from helping to clean up after an ice storm to renovating cabins and building a building over the camp pool filters.

We have several work days each year at Crosswind Conference center. We have helped clean up after an ice storm, taken down dead trees, built steps, etc.

We also have a great get together at our annual gathering in October with a guest speaker, usually a missionary. It is an opportunity to renew old friendships and make new friends.

We have an active Disaster program. We started with the Mulvane tornado and the Moore, Ok. tornado and have also been to Hoisington, Greensburg, and several towns on the gulf coast after the Hurricanes Katrina and Rita. We also help people and churches. We have built ramps, helped churches with remodeling projects, normal maintenance and helped with home remodeling for handicapped persons.

Nearly all churches have a group of men who help with peoples' needs. Most are not organized but are still a vital part of each church. I know of about 15 organized groups.

We would love to come to your church and help your group organize into a working group.
