

PASTOR TO PASTOR

Pastor to Pastor seeks to be an encouraging ministry to the pastors of ABCCR churches. This is achieved by providing opportunities for pastors to gather together on a regular basis, meeting with other pastors in their cluster. A cluster is a designation of ABCCR churches determined by geographical location. Listed below is what we hope to see happen in each group, as they determine their own particular format.

P – PRAYER (praying for and with each other)

A – ACCEPTANCE (being in the “pastoring boat” helps us to overlook the differences we encounter)

S – SUPPORT (through sharing, caring, listening & encouraging)

T – TOGETHERNESS (fellowship in the Lord around, food, study, sharing, or ?)

O – OPENNESS (comes with time & trust, but know we’ll not be condemned, regardless of mistakes made)

R – RESOURCES (sharing with others through our reading, experiences, etc.)

Our desired results that could happen because of being part of a Pastor to Pastor Clergy Covenant group that practices the vision stated above is listed below.

P – PARTNERING (realizing we are not in the battle alone, others understand)

A – ACCOUNTABILITY (positively asking how prayers were answered & how the ministry is going.

S – SECURITY (knowing what I am going through is not new, being encouraged by other’s stories & experiences, and what I share will not be broadcast)

T – TEACHING (we can learn from others new techniques, insights & methods)

O – OPTIMISTIC (when sharing together, result is hope for my situation)

R – RE-ENERGIZED (There is an energy from being together if we allow God to Use our time together for a time of His Spirit working in us.)
